Don't Expose an Entity and Its Officials to Risk: An Overview of Administrative Dissolution and Reinstatement

Tens of thousands of business entities are dissolved each year. And in many cases, the business entity's principals have no idea the administrative dissolution took place and continue conducting business as usual—unaware they are exposing themselves to unlimited liability.

Dissolution is incredibly disruptive to the business entity and reinstatement is a costly and complicated process. With this in mind, we would like to offer you a complimentary copy of our White Paper:

[Administrative Dissolution and
Reinstatement of Business Entities.](#)

This document is a great resource highlighting the important issues for advisor and client alike.

Key Aspects of Administrative Dissolution are covered:

- How administrative dissolution can occur
- What problems it can cause for the entity and its officials
- How reinstatement can solve many (but not necessarily all) of these problems
