Hi Elizabeth...one of Jeffrey's guests is not feeling well and will no longer be able to attend...please take [REDACTED] off the list ...however in her place will be a gentleman who's name I am still awaiting. As soon as I am told the name I will pass it along.

Mark Lloyd and this new guest will be arriving separately from Jeffrey and the other guests...do Mark and the new guest simply go in the front door and check in? I just want to make sure they are not stopped or have any entrance problems.

>>> Jeffrey was SO generous to purchase a table of 10 at Tribeca Ball at the Scholarship Level. I have a few guests, including some artists that we are looking to seat. Would Jeffrey be ok if we added two seats to his table, making it 12? Eileen and David and I are finalizing seating today and tomorrow and would appreciate the additional space.
