It depends:

-4M situation...when is Elen getting back? If Elen not back until after Tancredi leaves, we will have 4M available.

-Does JE want to let Chris Knight have an apartment for the night of Monday April 16th, out on Tues April 17...if so, then the Tancredi friend would have to bunk on the pull out for one night then could move to 4M on the 17th after it is cleaned (which we would need [REDACTED] for since [REDACTED] works during the day for Joe)

Let me know what JE decides
