Hi Leslie,

No, Sunday morning sounds good; Saturday night's booked up, and since Jeffrey suggested moving to Sunday breakfast someone else has popped up for whom dinner Sunday would be the best option, so it's all working out.

Brian, Jeffrey is asking if would you prefer late on Saturday evening? ...he says he could fly in that night instead of Sunday morning...Let me know what suits you best.

Hi [REDACTED]

I could do that--I'm not so much a morning person, but that would be fine.

Best,

Hello Brian...hope you are well...Jeffrey is wondering if you might be available for breakfast on Sunday April 15th instead of dinner? Might this be possible...

Hello Brian. Just circling back regarding dinner with Jeffrey on Sunday April 15th up in Cambridge. Might you be available to meet Jeffrey at 6:30? A restaurant is yet to be determined, but I wanted to find out your timing...

Please let me know if 6:30 would work.

Thank you,
