Greetings Ms. Hodge,

I am confirming your visit to LSJ this Tuesday, April 3, at 3 pm. I will meet you at the Financial Trust office and take you down to the boat. Please call the office if you have trouble finding parking, so we can do so for you.

Kind regards,

Daphne

I think I can do this Tuesday (4/3) at 3 pm, after my deposition. Can we plan on that? Let me know. Maria

My schedule that week is difficult. I have a mediation on Monday 4/2, and depositions on 4/3 and 4/4. That leaves my first availability on Thursday 4/5. If we can't do this before that week, let's plan on scheduling the meeting for first thing that morning. It is possible I will finish the deposition on Tuesday in time for a later afternoon appointment, if they can be flexible about scheduling. Or, if either of them are back from vacation and on island Sunday 4/1, I would be willing to go over to meet then. (The deadline for our answer, by my calculation, is going to be Sunday 4/8, so that to be cautious, we are planning to file Friday, 4/6. That would be very tight and not my preference if there is an alternative.) Do you want to talk about this? Maria

I will check my calendar tomorrow & let you know. I am also watching the deadline for our answer & informal appeal. That was why we were concerned about waiting for Bruce's return. Anyway, I will call or email tomorrow.

Good morning Maria,

Carlos and Brice are away on vacation until next Monday. They are the two people who can best show you the site. We would like to reschedule your visit to Little St. James island for next week. Please let me know what day and time work for you during the week of April 2 - 6.

With warm regards,

Cecile

Good morning Maria,

Everything is set for you on Monday at 9:30 AM. Casey will be taking you over by boat. Please call Daphne [REDACTED] when you are a few minutes away from American Yacht Harbor so she can meet you in the parking lot - you may not be able to find a space and she can help you with that. Have a great weekend.

With warm regards,

Cecile

> Cecile: I just had a conference call with Darren & Jeffrey about the location and nature of the "work" at the island that is the basis for the CZM NOV. I understand where they say it was, and what work they describe, but I definitely think I need to look myself at the exact site (including how it looks now, whether there is any indication of possible run off, etc.) before we convene even an informal session on this, so I am able to properly describe things. Jeffrey said that someone named Carlos working at LSJ would be the best person over there to show me what I need to see. Can you help me arrange that? My schedule is quite tight, but I could probably go out for a quick look either Monday or Tuesday morning. We are working against a deadline. Please let me know what you think...thanks. Maria
