Sorry for the delay - the ETA in West Palm Beach will be 12:50PM on Friday and it is definitely a departure from White Plains per our conversation yesterday (attached please find directions). The tail number of the plane is N343DF.

At your convenience, can you please send over cell phone numbers for the passengers (or whomever the best contact of the group would be) as well as a general description of the car(s) that will be dropping and picking them up?

Thanks again!

Best,

Kipp
