you are sweet :)

I mean, the last thing I want is for something to be missed, but...I figured the visa was what these pilots were looking for! Thank YOU for all the help!

I'm being asked if Morgane has a Green Card...!

Holy cow who knew this would be such an intricate process! I would think the passport and visa are enough...

Hi Lesley,

Below is a copy of Morgane's passport and visa. Does he need anything beyond that?

Regarding Jeffrey's question, no plans have been finalized for June and no rumors have enough substance to be worth sharing. We'll know more within the coming weeks.

Speak soon,

Kathryn
