Yes that is not good, we need to find some new cartoons maybe. Seems like most are reruns.

[REDACTED] let [REDACTED] watch victorious yesterday. It was the only thing on and [REDACTED] wanted to watch anaconda show and said he wanted to watch it. It's like a teeny bopper show that girls tend to like (ie Cassidy loves it). Well [REDACTED] of course didn't like it he just didn't want to turn off the tv! I told him this morning i would rather him play Wii than watch a show like that. Better yet, play with your toys, read ...I said you know the tv always goes on in the evening with sports or something.
