Sounds like y'all had a nice weekend. We did too for sure. So nice out! I'll type more later

When it comes to TX I need to talk to ike. I know his favorite part was going to ft worth and actually staying in a hotel! Ha go figure. Maybe we can do the fancy rodeo with m and r in mckinney or wherever that is and make that a night also. Ty still feels like he won free tickets to the better rodeo. Anyway im glad you got your tix cheap. I need to loom in to it

Spoke to dad Friday. Alfred has Parkinson's. Early stages but not good. Spoke to mom too and she sounded good. I'll catch you up more later

Hi there.

I booked my flights (not ideal, as there is a layover both ways -- but I used points and only had to pay \$222.00 for all 3 tickets. . . so I hit that bid!)

Anyway -- I am hoping you and Ty can get a flight on W. Aug. 22 into DFW in the afternoon. We (A,B,C, mom and Randy) -- we can go directly to Ft. Worth for the rodeo. We depart on TH 23rd at 2:35 (a decent enough hour for all of us to get up, have breakfast and then you guys can take us back to the airport for our departure).

How is your weekend? Pete and I got to go out on Friday night -- briefly, but long enough --- dropped the kids at two different after school activities at 6 pm and we were home by 8 pm to get them (Braden was actually dropped off a little bit earlier -- but he doesn't mind being home alone).

Last night just home here -- watched a movie and stayed awake for the whole thing -- Pete slept. It's so funny - I always fall asleep early on Friday nights and he stays awake - then it's vice versa on Saturdays. . . I feel old(ish). . . had the signs of aging.

I have to cover for Jan, Bob's assistant, tomorrow. She is taking the day off (she's very happy to have me there). Anyway, it should be fine -- I like Bob a lot; but sure want to do everything just right for him.

Going to a big shopping trip at Target today w Cass -- and grocery store. . . some homework for Braden. Pete is working on taxed and i'll need to insert my biz tax info as well -- def. want to finish it up as quick as possible, as we will def. receive a return.

What are you guys up to?
