Dear Craig

I think we covered this during yesterday's telephone conversation but.

Heritage Corporate Services Limited provide Owner Trustee arrangements to non US citizens, I am an employee of Heritage.

My line manager, John Wright, is the Secretary of Bovale Developments Inc, the Owner Trustee.

I have attached here a copy of the relevant Owner Trust Agreement which was filed with the FAA.

Kind regards

Terry

Terry

The buyers solicitor is asking if you can provide documentation to confirm your part in this. As we've added a change and added another signatory he requires clarification. We do understand your role and part in the process however we do need some documents to support this if you have this.

Apologies for the last minute nature of this, thus far Mick hasn't introduced me to either yourself or Owen and stated how your involved so far. If you have a moment to call me I would appreciate it.

On a second point, did you manage to send off photocopies of the incorporation documents along with the IR document sent across to Joan Roberts?

Kind regards
