BUT, please know I don't want and would never take advantage either! Out dates to travel are July 18-22. I was able to get cheap air on jet blue. Maybe we should talk next week? [REDACTED] :)

I was thinking of going there this summer, mid July, [REDACTED]...is the weather ok? I know it will be hot (I've looked at the averages and I see 89 as a high and 74 as a low for July but it rains less than June and Aug...
