Dear Gordon

I refer to the voice mail message that you left today as well as our telephones conversations this afternoon.

Please find attached the Warranty Bill of Sale signed by the Owner Trustee.

The original of the Warranty Bill of Sale will be delivered to Joan under FedEx Airway Bill number 860454988115.

As I mentioned when we spoke, FedEx collection is once a day at 09:30GMT and it is not possible to circumvent their collection regime for earlier delivery. 860454988115 will be collected at 09:30 tomorrow, Friday. If all works well a Fedex collected from this office at 09:30 will be delivered Oklahoma for opening of business the next day.

Please be aware, FedEx leave the island by aircraft, there are delays and cancellations at the airport today because of fog so a 1 day delivery to Oklahoma may not be achievable.

Dear All,

Please find attached the revised contract for the purchase of the Bell 430. Would all parties please check and confirm the details and then sign and return to myself. We need to complete all the paperwork today.

Mick, we are still waiting for Owen to send us a photo of the floats to confirm they are still in a good condition. We cannot close until this has to verified and the floats are within our reach. PremiAir will be arranging and paying for the relocation of these. I have emailed and left voice messages for Owen but no avail.

Regards

Gordon Potter
