The Tuscan Sun Cookbook invites home cooks to pour a glass of wine, throw on another handful of pasta and languish in the rustic Italian way of life!

Exclusive Meadowood Reception with Authors

Frances and Ed Mayes

Since her wildly successful debut memoir, *Under the Tuscan Sun*, and the subsequent movie release, Frances Mayes' name has become synonymous with all things Tuscan. Food has always played a starring role in Frances' writings, but never before has she shared a collection of the robust, honest recipes that she regularly enjoys with her husband, Ed, and their Italian friends. In her first-ever cookbook, *The Tuscan Sun Cookbook*, Frances and Ed welcome readers to Bramasole, their home in the countryside, introduce their friends and share more than 150 recipes they have enjoyed as honorary Italians.
