Hello Jane. No worries. I'm sure Jeffrey will understand. We will circle back maybe after the conference (although, Jeffrey may just speak with him there!) Do let Chris know Jeffrey was asking if you can...Thanks, Lesley

Dear Lesley,

I'm sorry but Chris is completely buried due to the run-up to TED and some unexpected travel requirements, so I'm not able to schedule a call.

Sincerely,

Jane

Hello Chris. Jeffrey Epstein would like to speak with you! I know you are in back to back meetings with the conference right around the corner...hoping you can squeeze a call in at some point.

Thanks,
