>>> Lesley, could you please forward this resume to Jeffrey, this an outstanding individual with an outstanding resume. She very hands on and very mobile and single no kids. She is presently being interviewed by Sea Island Plantation in Georgia which is a 1,400 acre five star resort in Georgia. I have spoken to her and she has an interest, but I think it is important than you contact her before next week because we don't want accepting another position before we at least speak to her over the phone. Call if you have any questions.
