Excellent!! thank you!

For sure we can have [REDACTED] come in and clean from time to time when you are here and in need! Just email me and I will coordinate....and I believe she comes "with" the apartment but I will double check :)

>> Hey Sam....spoke with Jeffrey and he definitely wants to make sure you know the apartment is yours for the next 6 months whenever you need it!!... but we would appreciate it if you could let us know when you will travel...Jeffrey says to leave your things there, just put them in a closet for safe keeping. Hopefully it won't be too much of a hassel for you! Even if you only know the day before that you will be away, please let me know. I will have the apartment cleaned and if someone does come to stay, the apartment will be cleaned again prior to your arrival back.

>> I am happy to communicate via email...just a quick note to say you will be leaving on such & such date and arriving back on such & such date would be extremely helpful and keep us from having any issues.

>> Thanks so much and I hope you understand it really helps us out to have one more apartment available from time to time.

>> Also! It was [REDACTED] the cleaning girl, who went into the apartment...she says she emptied some garbage and may have folded a thing or two...but it was her, so no worries.

>> I will contact someone from the building about taking a look at the outlets by the desk to see if they can rectify the issue. Once I know when they can come, I will alert you!

>> Thanks, Lesley
