Absolutely!! Wr love sam and the kids!! Please please tell them to come! We are going to have way too much food already so they can help!

I'm sorry you will not be here. You are a good friend to your friend in need. I hope everything works out well for her. We will catch you next time.

So YES!! Get sam, ella and Clayton over here at 5:30!

Hi Leslie!

I am emailing for two reasons. First, to let you know that unfortunately I will not be able to join Dutch and the girls for your super-bowl party tonight. I am in Miami assisting a girlfriend with a surgery which was more complicated and intense than she realized thus delaying my return. The second is to request a favor. Sam Masoudi (a huge football fan and father to Ella, age 7 and Clayton, age 3) asked Dutch to watch the game tonight while his wife is away. His mother-in-law is there to assist but he's truly bummed that Kaye is not home. Dutch said he already had a prior party and Aaliyah is so looking forward to it. Would it be too much to ask of me if I asked if Dutch could invite them? I realize this is way forward of me. If this is too much for me to ask, please let me know and I will not be upset. I just thought Sam could use some fun time – football seems to be the female version of a sit down with the girls over a glass of wine!

Please let me know

Many thanks

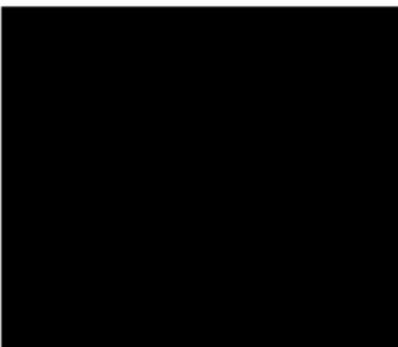

Laura
