Lesley, you won't believe this but this email is for one of the companies I consult for they took it down and I just thought you and jeff weren't getting back to me. Unfortunately as I stated to Jeff and you Phillip was being solicited by a five star hotel soon to open he accepted the job yesterday. I have two other individuals but they are both working, but ready for a change. The only thing is we have to stick to schedules for these calls because because they have time restraints.

Rich

RICH!!! I have you on the call list for today...wanted you to know! Will Philip be with you today at some point? Just asking...shall I call your cell or office?
