oh wow!! I wondered why you did not get back to me last Friday...ok, no problem! I will let Jeffrey know about Philip Yu and also let him know you have 2 other candidates with time restraints...thanks so much for your patience.

> Lesley, you won't believe this but this email is for one of the companies I consult for they took it down and I just thought you and jeff weren't getting back to me. Unfortunately as I stated to Jeff and you Phillip was being solicited by a five star hotel soon to open he accepted the job yesterday. I have two other individuals but they are both working, but ready for a change. The only thing is we have to stick to schedules for these calls because because they have time restraints.
