Love Among the Vines

Celebrate the Month of Romance at Meadowood

**Whether newly in love, newly engaged, newlyweds or simply newly passionate about wine,
spend your romantic February getaway at Meadowood...**

...and we'll set you on the path to building your first wine cellar as a couple. There's an art to finding and purchasing wines that reflect your personal preferences as a couple and are suited to your unique style of entertaining. One of our Sommeliers or our Master Sommelier will consult with you to learn more about your life together and will then prepare an *Our First Wine Cellar* itinerary just for you. An accompanying map will allow you to find each winery with ease.

As you meet the winery proprietors and winemakers you'll not only build your wine cellar, you'll capture stories to share with the friends and family gathered around your dinner table for intimate meals or special celebrations in the days, months and years ahead.

Two hundred-fifty dollars per couple will be added to your guest room folio.
