Hi [REDACTED]. Hope all is going well. Jeffrey wants to see David and Anne Gergen on Sunday evening (Dec. 25th) I have not heard any specifics, but I would think JE wants them to come visit him on the island.

Will you be able to take care of the specifics on this?? I have been speaking with Lisa in David's office, but as of tomorrow, the communication will be through David...

Please let me know if there is anything else i can do to help facilitate. If I here more specifics from JE I will of course pass them along!

I hope your christmas will be merry...I know it will be different...
