Ah. Believe me I understand!!! Funny because I gave RSW a reminder at 3:45 at which time he reached for the phone and I told him to slow down and that I would dial for him at 4. He told me not to bother, that he would place the call himself.

OH, these people...!!! Sometimes they don't make our jobs any easier.

no worries...I asked because I had sent Jeffrey an email close to 4:00 yesterday reminding Jeffrey that Wurman should be calling him at 4:00...I did not include your office number in the email since the call was to be coming from you guys...my bad...always include phone numbers even when Jeffrey is not to make the call...!! When Wurman did not call on the dot at 4:00, Jeffrey sent me an email stating I should have included your office number...and you know, I usually always do...not sure why I didn't yesterday, but I can tell you, I won't send an email without a phone number for sure anymore!

Thanks - is everything okay? Peter is new-ish and isn't so swift with the phones yet. He felt horrible about hanging up on him - please do apologize on our behalf..

I hope you have a great weekend too!

Well, RSW was expecting to call JE but JE beat him to the punch. Then my colleague, who answered the phone, accidentally hung up on him. I'm not sure what happened after that.

Hi Lesley,

I hope you had a wonderful Thanksgiving. RSW is wondering if there might be an opportunity for him to get together with JE anytime before the 23rd, when he leaves for a two week trip with his family. What are the chances?

Thanks as always,  
Rebecca
