Yes, I fully understand and did see this. Please trust me I can make this pool perfect. If you want, To all tile this pool I will do the labor for no charge, I want you happy, and the one time we sat at your table you said you liked me, our work and you liked pools, you stated to me you wanted a round pool up on top of the hill. Again I can make you pleased with my work and would like to build that other pool.

Thanks
