Hello Joana,

Please contact Jeffrey Epstein's assistant, Lesley in regards to the \$7,000 donation. I have cc'd Lesley to further acquaint the two of you.

Peggy would like to lend our orchids as center pieces for the additional tables. If you could send a messenger to pick the orchids up we will have them packed for you. In total, we have 19 orchids. Please let me know how many you will need.

Have you chosen colors for the table cloths yet? Peggy wanted to help decide the color of the chairs and the chair cushions.

Many Thanks,

Allison
