Thanks Lesley. He told me that he got a call not an email so I just assumed that you had left a message.

With warm regards,

Marvin is in receipt of your email stating you have some objections to the people he suggested be invited to the conference...since time is of the essence, Marvin is hoping to speak to you about this today. He just needs clarification on who you object to! Below is his cell number...he says he keeps his cell with him always.
