Hello Tom...I know Jeffrey wishes to have a call with you, Marc Dober and Brice today...he was hoping for 11:30 your time, but Brice has at least a 4 hour dental appt this morning...I am trying to find out if JE wishes to have the call with just you and Marc at 11:30 island time (10:30 NY time) or if he prefers to wait until Brice is available. Please confirm back to me you are aware Jeffrey wishes to have a conf. call today. thanks, lesley
