Melissa is to train her replacement this Monday-Wednesday. Wed is her last day. I will ask her if she can meet with me and [REDACTED] That [REDACTED] suggested we meet her to possibly do some work for you while she searches for a job in the short film industry and works on her writing(?). We would of course want to make sure woody is ok with us meeting her ... She should think of this as networking. ? Or do I not even mention her doing some work for you? I'm sorry just looking for a Bit more direction. I do not want to mess anything up!

Hi Lesley! No plans yet and rather nervous about it in this climate and city. I'm a writer and short filmmaker (no budget ones at this stage!) so trying to find a job in line with those ambitions or a job that pays well but is not all consuming. Scary but exciting times! I hope you are enjoying the weekend! All the best, [REDACTED]
