Russell with Jemstone Employment Agency. He placed me over 10 years ago and is familiar with Jeffrey Epstein and discretion. Russell actually sent you a few resumes the last time you decided you wanted to hire an assistant/paralegal.

I see in the directory the following agencies as well:

[REDACTED] Rem Resources
[REDACTED] Epic Staffing/Sheila/Manny
Vance Staffing/David First + 1 [REDACTED]
CitiStaffing/Julie Greeley [REDACTED]
Goodkind + 1 [REDACTED]

But the only person I have ever spoken with myself, is Russell...we have even more agencies in the directory as well
