Morning [REDACTED]

[REDACTED] and I will need help tomorrow. I am taking over from [REDACTED] (as best I can ;) and his day starts with a breakfast at 6.30/7.30 with an important person. I will need someone to take over from me with taking care of her. She has a brilliant record and is holding her bladder and other parts until the morning. I need someone here to take her out by 8.30am and then during the day again. Please let me know if you can help as soon as you are able, otherwise I will have to look for another option (I am not sure what) but I have to give my full attention to JE tomorrow.

Off course I know you will have to pack for the evening thats why I wanted to tell you in advance so that you still have today to prepare.

Thk you and see you later maybe :)
