ok terrific!! I was hoping you meant tomorrow. So 7-7:30 it is...Let me get back to you on exact location (could be either Martin Nowak's Institute at 1 Brattle Square or the Charles Hotel) I think it will be best to contact the assistant who will be traveling with Jeffrey tomorrow on this trip...thing is, that assistant has not been determined as of yet. I will know by tonight for sure who is going and I will email you tomorrow a name, phone number and email contact...

Thank you so very much for helping with the organization.

Hi [REDACTED]

Yes, we are both talking about tomorrow, Oct. 27th. Sorry I wasn't clearer in my email below.

7:00 or 7:30 is perfect. Where should they meet? Also, may I be in touch with you about exact timing of the meeting tomorrow evening. I can email you as soon as David leaves his office or should I contact someone else.

All the best,  
Nancy

Hi Nancy...i just want to make sure we are discussing tomorrow, Thurs. Oct. 27th, right? If so, Jeffrey could meet David at 7 or 7:30pm...would that give him enough time for his meeting?

Dear [REDACTED],

Just got an update from David. His plane is likely to land Logan/Signature Air at 5:45 pm and will be in Cambridge close to 6:00 pm He has a meeting this evening, which can happen before seeing Jeffrey or after, depending on Jeffrey's availability.

What do you think?

Best,  
Nancy.

Dear [REDACTED],

Thanks for your email. David will be back in Boston around 5:00 pm. He is flying from Arkansas. What window of opportunity is there?

Many thanks,  
Nancy

Hello Nancy.

Jeffrey is making an impromptu trip up to Boston tomorrow and was hoping David just might be around and available to meet with him at some point at Martin Nowak's Institute at Harvard (1 Brattle Square)

Please let me know if this might be possible.

Thank you,
