I will try to have a conversation with him about it this week. In the meantime, let's sit for a half hour and see what we can do to put everything that we have together. Ok? Thanks.

> Darren, just wondering if / when you will speak to Jeffrey about this narrative thing? He did not say anything to me about it today, but I don't want him to think that things are being done and then get pissed when they have not. He keeps making it sound as if it is such a simple task to find what ever information it is that he wants "pulled and put in chronological order and then write a narrative"!! , and it's not simple. Please let me know cause it is weighing on my mind and making me nervous.
