Yes, honey. I can!!! Thank you so much!!!!

I am not sure how much is the 40mg. I can tell you only how much it cost only after I'll get the peels;)

Last time he gave me for peels 350. I think something around this amount will be more than enough. And I'll figure out if I need more later or not but I think it's shouldn't be a huge difference in price between 20mg and 40mg.

Let me know if it's ok. Thank you so much!! And yes, I can go to Bella office today. :)

Please tell to Jeffery he makes me so happy and I miss him!!!

Polina! Jeffrey will pay. Do you know how much it is? Can you come to see Bella in the office today? If so what time?

Dear [REDACTED],

I visited yesterday Victor's office and they checked my face at the same time of my hair removal procedure.

They just found out (and I agree with that) that 20mg doesn't much help me and specially for my back Victor's said that I have to use the one left package which I have as a two capsules per day( 40mg totally). And it means I'll finished this period of month a little bit earlier. So, since I have only 8 capsules it's only for 4 more days.

Angela gave me already the new prescription for 40mg and she said I need to get the peels by Thu. I was wondering if you can ask Jeffery to help me with buying peels for the next month. Could you ask him please? I'll be happy if can help me before Thu. I don't want to brake my treatment. 😄

Hope to hear from you soon and thank you in advance.
