Leslie, I have a window of opportunity that will allow me to change my present employment situation. If the group I'm with enters into another acquisition in the Caribbean (they have begun negotiations) I may have a moral commitment to them. Thus my interest in talking to Mr. Epstein.

:) I think this past Saturday wound up being busier than he thought it would. For sure don't take it personally. Let me circle back to Jeffrey tomorrow and we will see if this week can happen.

I haven't heard anything, should I take it personal. Only kidding, do you know if he will call.

Leslie, I hope you didn't mind me reaching out to Mr. Epstein, but I just wanted to to either move forward or bring closure to this chapter. And yes he can reach me on my cell all day I will be in Boston, visiting my son who goes to Brandeis. But I will be available all day.

Regards,
Rich
