Dear Jeffrey

I wanted to personally reach out to our community of members and thank you collectively for all of your support for our Global Party this past Thursday night in making it a truly successful evening.

We have included some photos of the evening highlights for you to see in case you were unable to attend or for those of you who did not get to see all of the various spaces. Many of our members have already called in to request large scale events such as bar/bat mitzvahs and weddings that would utilize the club in a similar way.

We thank you again for helping to make it a most memorable evening and we are looking forward to planning our next big CORE: celebration.

Please enjoy the photo album at [REDACTED]

Best regards,

Stefan
