Dear Jeffrey,

CORE: is pleased to announce its new partnership with Absolute Travel and to invite members to experience special membership privileges.

Just as CORE: inspires its members through events of discovery, culture, and innovation, [Absolute Travel](#) inspires clients by crafting unparalleled journeys. Since 1989, Absolute Travel's team of trusted, passionate travel experts has created customized journeys to inspiring destinations. Providing rich experiences rather than mere vacations, they take you beyond the well-traveled tourist circuit and allow you to feel the real pulse of a country and its people. The Absolute Travel team continues to circle the globe to ensure that they are armed with cutting-edge destination knowledge to provide clients with authentic encounters, awe-inspiring touring, and superb culinary experiences, while gaining them access to the most impressive properties on the planet. Their personalized recommendations are based on their first-hand destination knowledge, so clients take in the world less like tourists and more like insiders. Whether that means unwinding with a wellness retreat, training with the top yogis in India or indulging on the most exquisite wines in Argentina, Absolute Travel has been there and knows exactly the right people and places to ensure your trip is the luxurious once-in-a-lifetime journey it should be.

Absolute Travel values our CORE: members and in an effort to show their commitment, they have created CORE: member-only privileges. Benefits include an exclusive [CORE: travel specialist](#), who will meet you at CORE: club (or wherever you would like) to answer any questions about your deluxe journeys. When traveling with Absolute, CORE: members will always enjoy exclusive upgrades and the best room in the house; and members can rest-assured that while you are unwinding on your trip, the Absolute team is working around the clock to ensure every single detail is taken care of. The CORE: travel specialists pride themselves in their power to provide clients with private access and special experiences such as after-hours visits to Nefertari's Tomb in Egypt, tee times on Argentina's best courses in Bariloche, or hot air balloon rides above Kenya's Great Migration (followed by a champagne toast in the bush, of course!). Just let them know what you wish for; they will handle the rest. Above all, Absolute Travel president Ken Fish, a fellow CORE: member, is accessible to meet with you to make sure that your experience with Absolute is exceptional.

[Enjoy the journey!](#)

All my best,

Stefan
