OK thanks..

Yes, they are going to take up the carpet in the bedroom too. I was thinking the same thing about having 10N cleaned. They were supposed to have started the floors yesterday and finish today, but they started a day late. Oh well. will let him know

Hi [REDACTED]...thank you for letting me know Sue is in 4M...no one had told me! I assume she will be staying there until Jeffrey returns to NY...

Anthony Barrett's friend is in 11B starting today until the 13th. Sue is in 4M...That leaves 10N which is being worked on... (I just went to take a look at 10N and the men HAVE pulled up all the carpet in the living area. The furniture is stacked up in the bedroom... the bedroom still has the carpet down...are they to take out that carpet in the bedroom after the living area is completed? or are you keeping the carpet in the bedroom?) we do not have an apartment for this girl starting on the 10th...10N will need to be cleaned after all this refinishing and Lalasa doesn't clean on the weekends? If the guys will be done on the 10th, Lalasa clean on the 12th, this girl could move in the afternoon of the 12th and stay till the 18th. That is really the only option.

Let me know what JE decides to tell her.
