HI ██████ :) So you arrive on Friday Sept. 16th and depart on Wed. Sept. 21st, correct? I can wait for timing!

and totally hear you on the car service, cab thing! Especially with a big bag...we use Citicar when we are in need! Below is their number. I just called them and they confirmed you do not need an account, just a credit card! But call and get a quote first and book in advance...especially because of the UN stuff :)

██████████ Toll-Free Number

Hi there ██████, wow how HIGH TECH.
I will get back to you this afternoon with the exact info but arriving FRIDAY EVENING around 6pm and leaving Wednesday afternoon around 3pm.
Do you have access to a good car service? My busines folks always use seom random companies that are late, can't find me or screw something up.
It is UN general assembly week and everything has been tough!
I will need a car from 301 to the train station (flight leaves from Newark) and have a big suitcase. Don't want to rely on cabs that time of day either.

THANKS in ADVANCE!

Hello ████████ and hope you are well. I understand you will be coming to NY and staying in one of Jeffrey's apartments. Could you please give me your exact arrival and departure dates as well as approximate time of arrival and departure on these days? The address of the apartments is 301 East 66th Street, corner of 66th and 2nd. I will have a Welcome Letter left for you with the doorman...just let them know your name and that you are here to stay in one of Jeffrey's apartments...they are all familiar with the routine. The welcome letter will have the door code to your apartment...no key, just a code to punch in. Makes it more simple! Thanks so much, ████████
