terrific :) Do you know how long you will need an apt? 4M will be clean and ready to go! We have a guest coming Sept 6, but I will put them in 11B... [redacted] is having the carpet pulled up and the floors refinished any day now in 10N...

So stay in 4M...the code is: 33480

I guess [redacted] will be staying with Jeffrey?

Hi [redacted]

I am coming back to New York on Sunday, what is the current situation with 4M, 10N and 11B, I will need a place to stay!

Thank you
