Dear Jeffrey,

As we approach our two week closing which will begin on Monday, August 22nd, we wanted to let you know about some very exciting additions that you will have to look forward to upon your return. When the club fully reopens on September 6th members will be able to enjoy the following:

- A newly renovated library with beautiful hardwood floors, area rugs and an improved layout as well as a lobby upgrade in preparation for our third BOLD NOTION installation.
- An upgrade of the wireless repeater service so now all members can enjoy mobile services throughout the club regardless of the carrier.
- An upgrade of all the cardio fitness televisions such that you will have a clear picture on all channels and the ability to control the channel of your choosing.
- The launch of our partnership with Absolute Travel, a team of passionate travel experts that have created customized journeys to inspiring destinations, which will have a dedicated VIP service for CORE: members.
- Coming later this fall, PUNCH Fitness, the preferred workout of many of our members will be joining us in addition to our current 4th floor studio, so members can enjoy the convenience of CORE: as truly a one stop fitness destination.
- Continuation of the wine discovery programs in the fall which is back by popular demand, in which we will be offering select wines at discounted pricing as well monthly tastings for our members to sample.
- Upcoming events that include a conversation with Bob Gruen, Legendary Rock and Roll Photographer; Celebrity guest chef programs starting off with sixteen-year-old culinary prodigy Greg Grossman and the first Global party on September 15th, a fun filled evening with an amazing line up of comedians, artists, musical performers and more in which 80 venues throughout the world will work to raise money for several charities worldwide.

As September is officially CORE:’s birthday month, we wanted to look back at some of the wonderful things our members have come to enjoy over the past year which include:

- The arrival of our Chef Bernard Liberatore, named Master Chef of France, who continues to surprise and delight our members.
- A complimentary membership to Today’s Epicure which allows our members last minute reservations at the hottest restaurants in New York City.
- Friday Night movies & small member dinners that foster meaningful connections between the CORE: community.
- First class programming including the incredibly intimate concert with David Sanborn, an evening with Harry Connick Jr., talks with greats such as David LaChapelle, Gene Wilder, Woody Johnson and Rex Ryan as well as a conversation and dinner with cutting edge Modernist Chef, Nathan Myrsvold.

Over the coming weeks, please look out as we send out more information about these exciting events. I want to personally thank you for all of your support, membership nominations and dedication to CORE:. We hope that you enjoy the rest of your summer and look forward to another great year and to seeing you back in September.

Best regards,

Stefan
