[REDACTED]!

How are you?? Great to hear from you. I am surprised you have this email addy as I don't check it often and just logged in randomly... the best email for me is [REDACTED] as it forwards to my blackberry (if you want to update your database).

Thank you for the apartment! I wasn't worried as [REDACTED] had been texting me earlier that day from Dubai - I think the doorman just wanted to be certain, although they do recognize me from staying here over the years.

My flight is Thursday Aug 11 at 7am.. I will leave here around 5am. I am moving back to Dallas! I find it so hard to meet somewhat marriage worthy guys here and am ready for a simpler way of life and to be near family. The movers picked up my furniture yesterday so my apt is empty but I wanted to stay in town a couple more days to finish up last minute items. I love this city and I will be back to visit but I'm looking forward to setting up camp in Dallas.

How old is your son now? Where does the time go?!

Keep in touch. My cell will remain the same [REDACTED].

Thanks [REDACTED]!!

Hello [REDACTED]! welcome to NY! So sorry my 'welcome letter' to you had the incorrect arrival date on it! I knew you were coming on the 8th...not sure why i wrote the 9th. I hope all is well. Can you let me know around what time you will depart the apartment tomorrow...I just need to know for cleaning reasons...you may stay as long as you need!

Thanks, [REDACTED]
