Subject: All Upcoming Trip Requests
Date: Thu, 11 Aug 2011 14:01:31 +0000

Please forward any potential trip requests that you may have to me so that I can work on getting you the newest and safest aircraft at the best possible price. With our bulk buying power we have guaranteed hours on fleets of brand new Hawker 400XP, Citation X, Challenger 300 and many other jets. The bulk hours translates into the lowest charter prices available. With peak travel season approaching now is the time to lock in the best deal on these trips, as well as any other travel you have planned through the end of the year

BOOK THESE TRIPS NOW!

Upcoming Peak Dates- No Blackout dates with Apollo Jets

The following dates are considered Peak Holiday and Blackout Dates

- **November 18-27, Thanksgiving Week**
- **December 22-January 2**

1. Reserve your Jet now to get the best price and your first choice of aircraft.
2. Prices increase as the dates approach and availability decreases.

I look forward to receiving all of your requests and to continue to be your "go to premier aviation advisor-concierge".

Apollo Jets serves as an agent in obtaining air charter services for our customers. We select carriers that are certificated by the Federal Aviation Administration and registered with the U.S. Department of Transportation. Carriers are solely responsible for the air transportation by Apollo for its customers. Apollo Jets does not own or operate the aircraft on which our customer's fly. Apollo Jets is not a direct or indirect air carrier. All Apollo-arranged flights are operated by Part 135 air carriers.
