There is no new paperwork required, since the operator name is not changing. Any ownership changes will be found by CBP.gov when they are vetting you as a carrier. Let us know if you have additional questions.

Please find out who I need to talk to about this. I believe that since Freedom Air International's owner has changed from GM to FSF, LLC last week, we may have to file some kind of notice in connection with the

visa waiver. Find out who I need to speak to about this and give me the number. Thanks.
