Hello Brad. Please see Mr. Epstein's message below. Thank you Lesley:

Brad,

My general counsel, Darren Indyke, received an email from Jack Scarola regarding a proposed resolution of the Florida civil case between us. However, I assume that Jack is not involved in the Federal Crime Victims Rights Act case, as we received no proposal from him regarding the resolution of that case, and it was my understanding that I was to receive that proposal today. I have arrived in Florida with the hopes of meeting with you tomorrow as we originally planned. If you prefer, we can limit our discussions tomorrow to the resolution of the Crime Victims Rights Act case. I believe that you had suggested a payment to a charitable organization that would benefit victims' rights; you mentioned a payment to Courtney Wilde and a trust to be administered by both you and Courtney. Should I expect that proposal from you today? For our meeting tomorrow, please email my assistant Lesley your cell phone number to confirm a time and place for our meeting tomorrow. Thanks.

Sincerely,

Jeffrey Epstein
