Haute Living is proud to bring you our [San Francisco July/August issue, now online!](#) We've compiled a comprehensive issue of everything luxe, including an [intimate peek at the life and accomplishments of Kevin Ryan, CEO of the premier luxury shopping destination Gilt Groupe](#), as well as an up close and personal trip through ['The Garden of Rapture'](#), a fairytale photo feature with the stunning Eva Longoria and Nic Roldan, as seen through the lens by Greg Lotus. Travel through the lush scenery and scope out the latest and hottest fashions... and feel free to get lost.

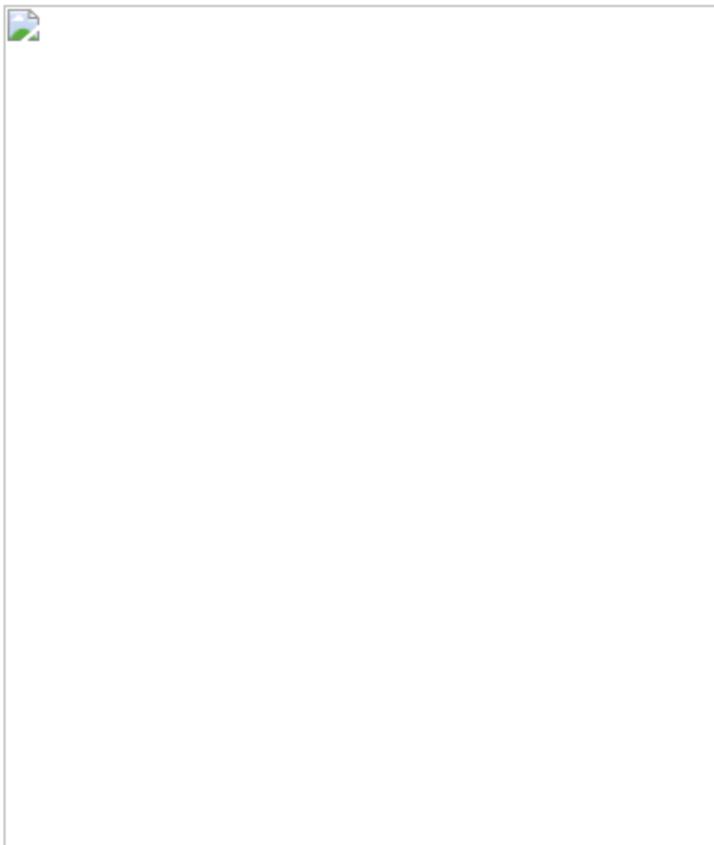

Summer's kicking in at its height, so shed the excess with a feature on horological elegance - ['The Art of the Ultra Thin Watch'](#). Spend ['A Summer with Dickie Greenleaf'](#) and find that perfect outfit for that high-profile summer event you've got coming up, or that upcoming luxury vacation... maybe to Saint Tropez? Take an insider's look at ['Where the Beautiful People Go'](#) and scope out the [best of the best in Saint Tropez](#). Live it up like a luxurious local!

Take a peek ['Power Players'](#), an in-depth profile of the tech industry's youngest billionaires, and then some. Our **Women of Substance** section travels into the life of [Joanna Rees](#), known for her incredible successes in business and, as of late, her [latest goal of becoming mayor of San Francisco](#). Then live a ['Day in the Life of Drew Altizer'](#), owner of the go-to photo agency for all of the A-list events.

Hungry? This month's **Kitchen Confidential** profile is on [Thomas Keller](#), whose career skyrocketed him to the top of the French cuisine ladder. We also profile [San Francisco's best places for sumptuous, authentic Italian fare](#), so take a date night (or several) and check out these gems for your next scrumptious meal.

And don't think we forgot about the toys! Our **Haute Toys** exclusives take an insider's peek at the [\\$215.6 million Cakewalk megayacht](#), the utmost in luxury seafaring from Derektor Shipyards. Upon reaching land, zip off in the hottest green auto out there, the [2012 Porsche Panamera S Hybrid](#). Happy travels!
