I have not heard back from Contreras-Vidal...we have his email address...would you like me to send him an email requesting a time to speak with you this week? If so, please let me know what I should tell him about you...he asked me why you wished to speak with him...Vidal did say he is always happy to speak about his research, but I think he does want to know why you are interested...

Let me know if I should email him re setting up a call this week. (he is busy all day today as a reminder)
