Darren:

I have attached the Settlement Agreement, as well as a blackline version of the document, reflecting our current thinking on the Agreement. We have accepted a number of your revisions and made some adjustments of our own. We think it makes more sense to have Spector deliver a release in connection with the settlement rather than make him a signatory to the Agreement. See Section 3.4. We expect this should satisfy your request with respect to Spector. We are in the process of preparing a proposed release for Spector. Of course, we will need to discuss this with his counsel.

Please let me know if you would like to discuss any of the revisions to the Agreement.

Thanks,  
Melissa

Just touching base for an update. Any sense of when I can tell Jeffrey you will be getting back to me? Please advise.
