Thanks Lesley,

Was there any specific reason?

Hi Kermit...I was able to grab Jeffrey's ear and I am afraid he has said he appreciates your enthusiasm, but he is not interested. Thank you for your communication and efforts and we wish you the best of luck.

Take care, Lesley

I'll call today ~ 4:00 P.M. eastern and hope Jeffrey is in a great mood and ready to talk chicken.

It is exciting to know that the project we have embarked on is of such cultural importance- pinching myself that no one has bothered to make an educational documentary about chickens before. If we don't manage to make this no one else will. We are creating a reference material like none other because that's how exciting the times we live in are.

We are so very eager to get into production mode. Please write back if there is a better time to call.

all the best

Kermit
