Hi Lesley -

My apologies for the delay. I'm still traveling.

I received your email last week, but I actually do not know Jeffrey.

As for participation in any projects, I'm not currently working in the HIV/AIDS sector and am swamped with TED and outside commitments at this time. Sorry I'm not able to be of any help!

My best,
Logan

Hello Logan and hope you are well. Jeffrey Epstein wanted to touch base and let you know he will be holding a conference in Dubai. The Sultan will be coming to his home tonight at 6pm and Jeffrey was asking if you might like to stop by.

Jeffrey also was wondering if you are still working on HIV (but you may have spoken or emailed with him on this already...)

Thank you,
Lesley
