It is fabulous here ! Yes, Darren will bring it over to the house or Jojo can go get it. Shouldn't be a problem. I will put a reminder to myself on thursday to ask for it.

How's life in the big city??

I am going to be sending a fedex to your attention for DI and JE. Inside the package, I will put a copy of a disk for you/DI to keep in your office. I will also put an envelope with an additional disk and a note for delivery to JE. I am sending it to you b/c I trust you won't screw it up ☺ (kidding, of course).

Also, when the inevitable occurs and no one can find it, I will also keep a copy so you can call me when that happens. :)

Will you please send me address again??
