Business Entity Monitoring

Starting Today, It's Even Easier To Keep Your Entities In Good Standing.

***Business Entity MonitoringSM is now FREE for
CT Corporation Registered Agent customers.***

We're excited to announce that [Business Entity Monitoring](#) is now included in your Registered Agent services. This free upgrade is part of our continuing initiative to help you manage compliance risk.

With [Business Entity Monitoring](#), CT Corporation actively monitors your entities that are represented by CT Corporation for any status changes in 49 jurisdictions.* We then send you timely email alerts when your entities have a change in status, so you can resolve adverse issues quickly and avoid the risks of non-compliance. [Learn how Business Entity Monitoring strengthens your compliance task with a whole new level of protection.](#)

Starting today, Business Entity Monitoring email alerts will go to the individual designated by your company as the "Communications" recipient.

You can also centrally manage your entities' status on [CTAdvantage.com](#). You can view the status of your CT Corporation-represented entities at any time, and, anyone at your company can elect to receive email alerts. If your CTAdvantage account is not enabled for this free service, contact your CT Corporation service team at [REDACTED] or [REDACTED].

CT Corporation was the first in the industry to proactively protect its valued customers with Business Entity Monitoring. **Now we are the first and only registered agent to provide this valuable compliance tool as part of our standard representation services at no additional cost.**

Thank you for choosing CT Corporation as your trusted registered agent. As the largest and most experienced provider, our goal is to consistently lead the industry with the best business support and risk management tools.

Sincerely,

CT Corporation
